

Have you ever wondered how the ACF raises our funds?

Total Funds Raised to 30 June 2022 \$1,121,453

ACF Board Members

The ACF Board is committed to our promise of 100% of your donations being used for charitable purposes. This is why our Board Members make a financial contribution. Our contribution is used for any incidental running costs the foundation has. We also like to lead by example.

ACF Members

This is a committee group of donors who pledge a recurring annual donation. Our members have a strong voice through direct contact with the ACF Board and help shape the future direction of the foundation.

General Public

Anyone is welcome to donate to the ACF. A passer by or individual may feel passionate about a cause and choose to make a one-off donation.

Corporate Donations & Grants

The ACF has a relationship with many corporate businesses in Albany who share their prosperity through financial support of the ACF. Some businesses and community organisations choose to donate proceeds from their own fundraising events to ACF.

Events & Other

The ACF run public fundraising events each year. We do this to engage with our community and raise much needed funds.
